We live in a city of 18 million people in a country where at least 1 million people become Christians each year (and most likely many more than that). There is approximately 1 pastor for every 10,000 Christians. The fields are ripe for the harvest and God is on the move, but there are so many young believers in need of discipleship and seekers in need of the Gospel! Pray that God would send out workers into the harvest fields and come partner with us as we go!
